

*Adherence to Site Safety Rules helps keep us safe from identified safety hazards on site.*

**A breach of these workplace rules will be managed in accordance with the current disciplinary policy.**

**A breach of these workplace rules by contractors will result in a review of your access privileges.**

## **Reporting**

All injuries, hazards, incidents, near misses must be reported immediately.

## **SWIs / Procedures**

Safe Work Instructions / Procedures are to be adhered to. If you cannot, consult your Team Leader and/or Shift Manager.

## **PPE**

The required Personal Protective Equipment is to be worn properly at all times whilst on this site.

## **Walkways**

Marked and designated walkways must be adhered to at all times.

## **Site speed limits and seat belt use**

These must be adhered to.

## **Pre-Start Checks**

Must be conducted before operating any mobile plant or machinery.

## **Mobile phones**

Social use is not permitted, other than during allocated breaks and in non-operational areas. For persons in charge, or during emergencies, phone calls must only be made after stopping the operational activity and moving to a safe location.

## **Portable music devices**

These are not permitted in the operational area.

## **Buoyancy Vests**

Buoyancy vests to be worn when working from floating plant.

## **Smoking**

Smoking is prohibited in vehicles, equipment/machinery, buildings, around flammable or explosive substances and in enclosed spaces.

Safety. Customer. One Team.
